CITY OF CORUNNA X PRIORITY

Since July 1st, 2023, you will see friendly new faces providing you with exceptional collection services. Priority was chosen to be your new residential waste and recycling collection provider. You will soon learn that the Priority difference includes smiling crew members, bright yellow new trucks, and a company focused on keeping Corunna clean and safe.

Headquartered in Macomb County, Priority is a technology-driven waste collection, transporting, disposal, and processing company. We utilized "3rd Eye" technology, our proprietary camera and GPS-tracking software to help stay efficient and safe while out on the roads.

We are proud to service your beautiful community!

RECYCLING COLLECTION

Priority is excited to provide a brand new recycle program to the city of Corunna.

- Recycling will be collected on bi-weekly basis on Mondays
- Pick-up times may vary. Make sure your recycling is out before 7 a.m. or the night before to ensure it is picked up.
- Recycling material must be contained in a properly marked cart.
- Rain, snow, dirt, and other environmental elements can contaminate recycling material. Keep recycling clean and dry by placing in a cart with a lid.
- Place your recycling at the curb and away from vehicles and mailboxes.
- Keep your recycling and waste at least 3 feet apart for easy identification.

Please see the other side for a list of acceptable materials.

SOLID WASTE COLLECTION

We start collection at 7am until we are finished. The time you are serviced is subject to change from week to week and we recommend placing your materials at the curb the night before your collection day. Priority will be providing service to every household with the current (1) 95-gallon trash cart. If you need an additional cart, one can be purchased directly from Priority. All carts cannot exceed 50 pounds in weight. Items included in the bulk waste collection are furniture (i.e., couches, chairs, tables, beds, wrapped/bagged mattresses, box springs), refrigerators with freon removed and tagged by a licensed technician, and up to 5 rolls of carpet and padding (cut into 4-foot widths, rolled folded, and tied-manageable for one person to handle). All doors on appliances must be removed for safety purposes. Excluded items are large amounts of building refuse, bricks, concrete blocks, and large quantities of furnishings and materials resulting from fire, basement flooding, or similar occurrences.

If you are not sure about an item, we are here to help.
You can call us at 586-228-1200 or 855-WASTE-65.
